

Dear Residents,

Please find enclosed details regarding the upcoming Worthing Half Marathon taking place on Sunday 12th February 2017 at 09.00

Road Closures

Road closures are steward managed from 08.00.

There are 4 zones. Overleaf has the expected timings for the First Runner (FR) and Last Runner (LR). The course will be re-opened from north to south.

The race will be stewarded by qualified personnel who will do their best to accommodate your needs.

Vehicular access will be allowed if deemed safe to proceed.

If you live on the actual course please speak to a Traffic Steward for guidance on the day or email us if you know you have to travel during the event. No cars are required to be moved for this event.

The 2nd Worthing Half Marathon, supporting Guild Care includes a half marathon, mini mile and a 3km run.

Events for everyone from 5 years and upwards. Our aim is to build a fantastic event for the residents and businesses in the Town Centre while supporting a local charity with a 'minimum impact' approach for residents.

See overleaf for timings of **FIRST RUNNER** and **LAST RUNNER** and pop out and cheer them on!

Overview of Course

The course is a flat one lap loop over closed roads. Runners start at New St/Marine Parade and run 7 miles in the town and return to the starting point. Runners then head west along the seafront before turning around at 10 miles and heading back to the finish. The last 800 m's is run along the seafront esplanade.

The map shows the First Runner and Last Runner for specific points along the course.

Town Centre Parking

All town centre car parks remain open. Access to Grafton car park will be from the east at South Street/Marine Parade Roundabout. At 13.30 access will open from the west.
